

HOBGOOD "TEAM WILSON" TRAVEL BASEBALL

Dear Prospective Partner,

This spring and summer, the eleven-year-old Hobgood "Team Wilson" Travel Baseball team will be competing in the southeast representing CHEROKEE COUNTY, Georgia. All 11 players were chosen for their talent, dedication and positive attitude on and off the baseball field.

During the 2008 season, Hobgood Team Wilson will experience an intensive practice and game schedule with the opportunity to participate in premier tournaments throughout the southeast. Team Wilson is an elite travel baseball team with a strong reputation throughout the southeast. Our team will focus on character development, teamwork, and baseball skills.

To support this incredible opportunity, we are looking for a group of selected partners; local businesses interested in supporting our local youth athletic programs. This is a unique opportunity to obtain great "word of mouth" and local advertisement while making a worthwhile contribution to your community. Without local sponsorship youth activities could not afford the many opportunities they experience.

The State of Georgia has a strong worldwide reputation for producing the most talented and dedicated youth baseball teams. Please take this opportunity to help your community continue in this tradition.

THE BENEFITS TO YOU:

As a partner, you will be providing these players the opportunity to play baseball against some of the best competition in the area and region. The 11 families on the team will provide word of mouth advertisement and patronage to your establishment. We will post a team banner at all of our events listing your company's level of sponsorship (unless requested to not do so). As well all of our corporate partners will be listed on our team's website. Also, if you have flyers or coupons, we can hand them out at our tournaments and team activities. If there are any ideas as to how we can help in this partnership we are open to suggestions and requests. All levels of Sponsorship will come with a team plaque to show our appreciation for your contribution. 100% of your donation will go towards offsetting tournament expenses, purchase of equipment, uniforms and other team related expenses.

We sincerely thank you for your consideration and support.

All checks should be made payable to "HPYA Team Wilson Baseball"
